

CALL FOR PAPERS

43RD MEETING OF

THE NORTH TEXAS PHILOSOPHICAL ASSOCIATION

APRIL 8-10, 2010 at the University of North Texas, Denton

KEYNOTE ADDRESS: Gianni Vattimo (University of Turin)

Invited Papers: Charles Bambach (University of Texas at Dallas), Daniel Conway (Texas A&M), Frederick Grinnell (University of Texas-Southwestern Medical Center at Dallas), Sean Kirkland (DePaul University), Irene Klaver (University of North Texas), Joshua Parens (University of Dallas), Robert Wood (University of Dallas), and Santiago Zabala (Johns Hopkins University)

The NTPA invites Individual Papers and Panel Proposals from all philosophical perspectives. Individual participants should **submit a completed paper of no more than 3000 words** and an abstract of between 100 - 200 words, though on rare occasions a submission will be approved on the basis of just the abstract. Panel participants should submit a title and a proposal for the whole panel (approximately 500 words), together with the completed papers.

The NTPA employs a blind review process for non-invited papers. Names of authors and organizations should appear only on a separate cover sheet and be omitted from proposals, papers and footnotes. To apply for the Graduate Student award, submissions must indicate intent on the cover page. In recent years, the volume of submissions has precluded the acceptance of some papers worthy of presentation at the meeting.

Email papers, proposals, and abstracts to: dale.wilkerson@unt.edu

DEADLINE FOR ALL SUBMISSIONS: JANUARY 29, 2010
